For a New Religious Work, ENTITLED-Sacred Biography and History. COMPRISING A DESCRIPTION OF Patesthe, a foll and highly interesting account of the Patriasaha, Sings and Prophets, its lives of Christ and the Apostles, with notices of the most emisent References, and shetches of the ruins of the colobrated ancient cities, covering a large field upon which little has been written. This work is published to supply a want long felt by Christians of a connected and reliable hintery, written in a style at once attractive and instructive. Finely bound, and illustrated with leantiful steel engraving.

Also, for an entirely new and very popular work, entitled "Spain and the Tagers," or Scane and events in the life of our Savins and His Apostes. Edited by the popular Au-
